

FRANKTON COMMUNITY

ASSOCIATION

The FCA had a busy 2017

Please visit our website at www.franktoncommunity.nz to see what the committee has been achieving on your behalf.

The new toilets at the Frankton Beach were a high priority and our discussions with QLDC ensured that they became a priority for the Council also.

We put forward, and kept asking, via the annual plan submission for a pedestrian crossing on McBride Street next to the Primary School. It has now been actioned by the QLDC.

We are continuing our stakeholder involvement with NZTA with regard to the Grant Road to Kawarau Falls Bridge improvement project. We also launched and hosted the online survey to get community views on their priorities.

Preliminary suggestions with QLDC for the 10 year long term plan.

Establishing relationships and opening discussions with the Queenstown Airport Executive with regard to the Airport Master Plan.

Ongoing dialogue with QLDC regarding parking in the Frankton area.

Discussions with QLDC infrastructure team regarding proposed Council plans for infrastructure upgrades within the area.

Organised and held a public meeting discussing Transport issues in Frankton with contribution from QLDC, ORC, NZTA and QAC.

Initial discussions with key stakeholders in the establishment of a ferry service from Frankton.

It is pleasing that the Frankton Community Association is the first call from these organisations when wanting an opinion on all things Frankton.

Please consider becoming a member and supporting the Frankton Community Association.

Annual subscription is only \$20.00 a couple, household or business.

This is your most effective voice to QLDC, NZTA, ORC, QAC and other organisations that are involved in the Frankton area.

By emailing fca@franktoncommunity.nz with Membership in the subject line and your first and last name we can send you an electronic invoice.
